2013 Computer Science Curriculum

Notes: This curriculum is effective for all students enrolling in CS 150 in Fall 2013 or later. Red lines between courses indicate course pre-requisites.

Math 302 must be taken no later than CS 360. All 400-level CS courses have ECE 383, CS 315, CS 350 or CS 351, and CS 360 as their pre-requisites.
